# Functions & Venue Overview

Milky Lane is the ultimate venue where guests can wine, dine and immerse themselves in a hip hop utopia.

The decor takes on an 'urban street' feel with graffiti pieces, murals and 3D designs adorning most walls inside the venue. Keeping on brand with the Milky Lane feel, the design team have created a playful and colourful restaurant consisting of several lavish booths, the infamous mural section under the watchful eye of a few familiar faces, smaller table areas for intimate groups and a unique bar areas.

Our experienced events team have done it all! We are happy to work closely with you to turn your dreams into reality. Whatever your desires we can tailor your event to suit your specific needs and create a truly memorable experience that you and your guests will love.

A collage featuring three portraits of Martin Luther King Jr. against a brick wall background. The portraits are in a blue-tinted, high-contrast style. A single warm-toned pendant light hangs in the center. Overlaid on the image is a large, stylized neon sign that reads "Venue Options". The sign has a pink top half and a light blue bottom half, both in a cursive font with thick black outlines. The background also shows a dimly lit interior with orange-upholstered booth seating and a counter area with various items.
